Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

By Russell Brand My Booky

My Booky Wook is Russell Brand's memoir where he discusses moments from his childhood leading up to how he got into comedy. I wanted to read this book because I find Russell Brand to be very humorous and love his stand-up comedy. This book mainly focuses on his troubled days, where he discusses topics such as sex addiction, drug use, and depression.
